About quality control :

Our quality control Department is staffed with 11 skilled employees. All of our products will go through 3 tests before shipping:

First, we shall run full inspection (IQC) on all raw materials.

Second, our IPQC shall test the half-finished products on the production line.

At last, The FQC shall run a full inspection of the finished products all over again before shipping out.

In this case, we can guarantee our qualified rate reach 99.6%.
